

## Destination Drive to the Simeone Foundation Automotive Museum

[www.simeonemuseum.org](http://www.simeonemuseum.org)

Simeone Foundation Automotive Museum contains over 75 historically significant cars spanning from 1908 through 1970. Over the last fifty years, they have found their way together in this location through the meticulous work and dedication of the founder, Dr. Fred Simeone. The greatest motorcar manufacturers in the world are all represented in this world-famous collection. Examples include Ferrari, Alfa Romeo, Bugatti, Mercedes, Jaguar, Bentley, Porsche, Aston Martin, in addition to, Corvette, Ford, and more! In 2019, based on a data-centric methodology, [The Classic Car Trust](#) named the Simeone collection [the number one classic car collection in the world](#). Additionally, the Simeone Museum library contains one of the greatest automotive reference collections in the world. For Porsche Parade attendees who choose to make the drive to the museum, you will see a 1970 Porsche 917LH on display. Unfortunately, this venue was just a little too far to make it a guided Parade tour, but it makes a great day trip as a destination drive.

# SIMEONE FOUNDATION AUTOMOTIVE MUSEUM

Simeone differs from most other automotive collections because they use their cars to tell the story of the Spirit of Competition through the evolution of thought and design. Guests love that they regularly take the cars out for spirited "exercise" during [Demo Days and other special events](#). In addition to Demo Days, the Museum holds regular book signings, temporary exhibits, camps, car-club events, as well as featuring many automotive-themed events at our Philadelphia location.

Finally, the Simeone Foundation Automotive Museum welcomes families, groups, and photography. They encourage all visitors to engage with the museum staff and volunteers and hope everyone enjoys their visit.

If you are driving up from the south of Kalahari Resort and passing through Philadelphia on June 11<sup>th</sup>, Simeone is holding a Demo Day at the museum. Among the cars being driven outside the museum will be a 1964 Shelby Cobra Daytona Coupe, a 1966 Ford GT40 MK1 and a 1967 Ford MK IV.

Buy tickets online or at the door:

Adult 18-65 \$12.00 + \$1.63 processing fee

Senior 65+ \$10.00 + \$1.53 processing fee

Children under 18 **FREE**
