Music lovers and especially guitar aficionados will certainly recognize the Martin Guitar brand, among the most famous guitars in the music industry. This was originally going to be one of the guided Parade tours, but the public factory tours were closed. At the present time, factory tours are again open to the public, but only for 6 people at a time, not nearly enough to make a guided driving tour feasible. Therefore, we are offering this as an individual activity for those who are interested. Pre-registration online is required and tickets cannot be purchased at the factory.

The Martin Factory tour is a guided, one-hour tour through the world-renowned factory in Nazareth, PA. Experience first-hand the handmade craftsmanship that goes into every instrument they make and learn about their history and culture.

Tour groups depart 6 times per day, Monday – Friday between 10 am – 2 pm.

For health and safety reasons, tickets must be purchased in advance for all adults and children to assure tour groups remain within the 6 person limit.

**Tour Capacity Limit:** 6 (six) visitors

**Masks:** Optional

**Social Distancing:** Six (6) feet of social distancing is recommended
