This talk is open to everyone but will be geared toward novice/intermediate drivers. The first part will be a discussion of this year's Parade Autocross course while the second part will be on autocross technique and what to expect at the event.

The autocross course will be open for walking as follows:

Wednesday July 14	8:00 to 9:30 am at conclusion of timed runs, 4:00 to 5:00 pm
Thursday July 15	7:30 to 8:30 am

There will also be a novice course walk with an instructor at 8:00 am on Wednesday June 14. This is your opportunity to walk the course with an experienced autocrosser and ask questions and get tips about the course.
