The Gimmick Rally Concept

“Porsche in the Movies” Part 1

7

Concept: Your goal is to complete the rally using the Route Instructions (RI) provided, AND answer 25 questions about Porsche movie trivia.

The Questions – Part 1:

The first set of questions will be based on photos that can be seen along the route. These photos are of a scene or object that we have associated with Porsche movie trivia. The good news is the photos will be in order, based on course following. The bad news is we're not telling you the mileage marker. You must answer the Porsche movie question about the scene or object; and record your best guess of its location along the rally route - within two tenths of a mile. (Route Instructions will include mileages for all changes of direction.)

And yes, since we know you will anyway, you can use all your internet skills to answer any question that is asked!

Concept: Your goal is to complete the rally using the Route Instructions (RI) provided, AND answer 25 questions about Porsche movie trivia.

The Questions – Part 2:

The next set of questions may require you to employ your most effective and devious Google search techniques- unless you're a Porsche Movie Mensa!

- There is a planned stop at the town square in Orleans, IN. The answers to some of the questions will be found in Orleans.
- There will also be a set of five tiebreaker questions which will separate the serious competitors from those who go for popcorn at the most exciting part of the movie...

Wifi will be available in Orleans and there is excellent cell coverage at the Drive-IN, for your convenience.

Orleans, Indiana Town Square – Memorial Day Car Show in progress:

Gimmick Rally Day – The Route Instructions & Safety Part 1

10

This rally route uses some of the most scenic, best Porsche roads in the area.

However, most roads on this rally are 1 ½ lanes wide with no painted lines. Passing will be unsafe in many places because of curvy and/or hilly roads with limited sightlines; do NOT take chances.

The likelihood of ‘trains’ forming during the first leg of the rally is high. Be patient. Hang back, do not tailgate the vehicle in front of you, and enjoy the ride. Keeping a proper distance between cars will be important in the twisties, of which there are many.

**Slower cars: PULL OVER if someone is right behind you, to:
Be respectful to local traffic.
Prevent a train and allow everyone to proceed at their own pace.**

Out in the country there are no “curve ahead” or “arrow signs” to alert you to the MANY sharp curves. Be careful and cautious: Most roads on this rally have no shoulders or margins, just ditches. But you can have a lot of fun at 35 mph on some of these roads!

Gimmick Rally Day – The Route Instructions & Safety Part 2

11

Route Instructions will be clear, and mileage will be provided to assist you. You should not get lost!

- **When in doubt always employ the Main Road Following Rule**
- **Dead ends and gravel roads do not exist as roads**

Navigators and Passengers should not attempt to be on cell phones to answer trivia questions when negotiating curves.

Cell coverage is weak in many places. Pull off carefully at spots where you have coverage – or wait until you get to towns such as Orleans, or the Drive-IN.

Looking down at your phone over the many curves and hills reduces your enjoyment of the scenery and may cause motion sickness!

Gimmick Rally Day – Orleans, IN

12

- **Please follow the directions of the Car Show organizers and parking attendants when arriving in Orleans.**
- **Wifi will be available for googling trivia answers. Take a break and spend some time on your questions.**
- **You may leave at any time, but use caution when departing.**
- **Town public bathrooms are located on the square. “Speakeasy Pizza’ is a great little restaurant, and there will also be food trucks available on the square.**
- **Orleans is less than four miles from the Drive-IN; plan your time accordingly to arrive between 8:00 PM and 9:15 PM.**
- **The Drive-IN has an extensive menu of concession items (menu included in your packet)**
- **Please support the Drive-IN and local businesses with your dining dollars!**

Gimmick Rally Day - Holiday Drive-IN

13

- **Cars will be allowed onto the Drive-In grounds at approximately 8:00 PM. Display your Entry Pass on your dashboard (will be in your packet).**
- **Follow the directions of our parking attendants. SUVs and tow vehicles will be parked in the back, no exceptions.**
- **If you do not wish to watch the movies, our parking attendants will direct you to the exit, but you MUST turn in your answer sheet before leaving for it to be scored.**
- **Please follow the Drive-IN's rules - rules and menu will be in your packet. We encourage PCA to support the Holiday Drive-IN concession, which is a family-owned business. It is small, but efficient. There will be lines. Please be patient, and enjoy the evening!**
- **No alcohol permitted. No alcohol sold.**
- **You may leave at any time. Please respect others and use parking lights only. Please park near the rear if you know you will be leaving early.**

Gimmick Rally Day – Watching the Movie

14

- **The Drive-IN experience will be like a cars and coffee before the movie starts (after it gets dark). Park and socialize with your friends, but please adhere to space rules.**
- **The Drive-IN's FM radio station broadcasts the sound through your car radio. You can also use a radio app like TuneIn with a bluetooth speaker. Or just bring a boom box.**
- **Experienced drive-in fans bring stadium or folding chairs and blankets and have a picnic in front of their vehicle before and during the movie. (It can get chilly if you're outside late in the evening.)**
- **The Holiday's Concession menu is a 50's-60's classic throwback, everything is cooked right there, and it's very good. We suggest you have a light dinner in Orleans and then snack or eat again at the Drive In – why not?**

Gimmick Rally Scoring

15

- **Transfer your scribbles to the final answer sheet (legible please!) and turn in no later than 9:30 PM at the Gimmick Rally tent at the Drive-IN.**
- **There will be NO answer sheets scored at the Drive-IN.**
- **There will be no answers provided at the PCA tent where you will turn in your score sheet. Please don't ask. (A set of the correct answers will be posted later.)**
- **Results will be posted on the Parade Website on Saturday, as available.**
- **Trophies will be awarded for Two-Person and Two-Plus classes at the Victory Banquet on Saturday night.**
