

Destination Drive to Hershey's Chocolate World

www.chocolateworld.com

Long time Parade attendees will remember the Porsche Parade was held in Hershey, PA in 2005. In 2022 we're just about 2 hours north of Hershey so it's not too far to either return if you missed the Hershey Chocolate World last time or if you're visiting for the first time.

It's been nearly 50 years – since 1973 – that Hershey opened their doors, but the story really began more than 60 years prior, when the original HERSHEY'S Chocolate Factory began public tours. They became so popular over the years that the chocolate-loving demand warranted a visitor's center. And so HERSHEY'S CHOCOLATE WORLD Attraction was born, opening just one day after the factory tours closed. Ever since, they have loved sharing the story of HERSHEY'S Chocolate that is still inspired by their factories today.

This is another attraction that was just a little too far for a Parade guided tour, but makes a great destination drive for families, especially for children.

Among the “things to do” at Hershey’s Chocolate World:

Hershey’s Chocolate Tour. Take a delicious journey from tropical cocoa bean to wrapped candy bar in this FREE chocolate factory tour ride. Delight your tastebuds with a sweet product sample at the end!

Create you Own Candy Bar: Dream up your perfect candy bar and watch it come to life, from flowing chocolate to solid bar. Choose your ingredients and design a personalized wrapper!

Hershey’s Unwrapped: Dazzle your senses as you learn the art and science of chocolate tasting in this interactive theatrical show led by a pair of energetic tasteologists.

Hershey Trolley Works: Take a ride through the town of Hershey on one of our trolley tours for a live show packed with fun facts, laughter, history and chocolate samples!

REESE’S Stuff Your Cup: Make your chocolate and peanut butter dreams come true with a one-pound REESE’S Peanut Butter Cup stuffed with your favorite mix-ins and fresh peanut butter from the factory just down the road.
