This rally route uses some of the most scenic Porsche roads in and around the Delaware Water Gap National Recreation Area (DWGNRA). Route Instructions will consist of:

- a) a map identifying three general areas in the DWGNRA where the named checkpoints will be concentrated (with names and addresses)
- b) a list of these checkpoints in the specific order you will visit them.

You are encouraged to navigate by GPS or WAZE, or similar. On the route, you will pass over the Delaware River on an historic wooden bridge that is privately owned (one of only a few left). A toll charge of \$1 is collected each way, so please have some cash at the ready. 😊

Prepare for the day by wearing comfy clothes and shoes, and bringing a clipboard, pen or pencil, your cell phone (and charger), GPS or a phone app, a hat, sunscreen, an umbrella, car snacks, some cash, and anything else you need for a 5-hour fun rally. Don't forget your sense of humor!

To offset lines and traffic jams at the Game/Activity Checkpoints, multiple route instructions will be issued on an alternating basis. You may see Porsches going the other way or go by an Activity Checkpoint enroute and think you will be missing it. But we can assure you that your instructions will bring you back to it. (NOTE: THIS MEANS THAT EVERY CAR WILL BE ON ITS OWN ROUTE. DO NOT FOLLOW THE CAR IN FRONT OF YOU.) You must follow your route instructions to be scored.

There may be 'trains' forming at certain areas along the rally roads. Be patient. Hang back, do not tailgate the vehicle in front of you, and enjoy the ride. Slower cars: PULL OVER safely if someone is right behind you, to be respectful to local traffic and other rally participants.

There may be a wait for some of the activity check points. If we've done our instructions right, the queues will be short. Be patient, follow instructions of our volunteers and enjoy the day. By the same token, please keep the process moving (each game should take 5 minutes or less) so that the lines stay short, and everyone can enjoy their experience throughout the day.

Your Route Instructions will note locations for Restrooms and Food at or near the Checkpoints (most have restrooms). You will pass by areas with fuel and fast food as well. We encourage you to sample the food and beverage at Barley Creek Brewing Company after you complete the rally. They will also

be providing coffee in the morning. Please remember to thank our local host locations, as they are freely loaning us their facilities and equipment! Please thank our hard-working Parade volunteers! And, thank you to Hagerty for their sponsorship!

The Activities:

The rally features nine different activities/games that were played back in the day at the old Pocono resorts. None are strenuous or demanding. **Every participant is expected and encouraged to play in the games – all of them are a Team Effort!** Some of your checkpoints will have more than one activity. Some will have none and will be a Bingo stop. Each activity checkpoint will be manned by Parade volunteers (identified by Volunteer shirts or vests) who will be controlling traffic and acting as a facilitators/referees for the games. Please follow their directions and instructions so you can park, play, and exit safely and successfully.

The Activities: Badminton, Blind Man's Autocross, Bocce, Cornhole, Croquet, Hobby Horse Racing, Ping Pong, Putt Putt, and Shuffleboard.

You will be able to accumulate points at each activity. A Check Point Captain or worker will monitor and score your activity. The rules and points for each of the activities are listed separately on the Rules of the Games and your Score Card.

Porsche Bingo: Bingo will have you visiting some of the more scenic locations and/or interesting attractions in the DWGNRA along your route. Each check point location will feature its own Porsche sticker. Visit all checkpoints in the order you are assigned. Take ONE sticker as proof that you visited the check point and affix it the matching image on your Porsche Bingo Matching Card. There will be a total of nine checkpoints, and, hence, nine stickers to acquire on the Rally. Complete your Porsche Bingo Matching Card (worth 20 points) and turn it in with your Score Card at the end of the Rally.
