Mount Airy Casino Resort Is literally next door to Kalahari Resort. **It** is Pennsylvania's first AAA four Diamond Casino Resort, and has kept this distinction for more than a decade. Mount Airy Casino Resort's warm ambiance and long list of amenities, naturally accentuates the serenity of the Pocono Mountains' setting. Located only 5.6 miles from Kalahari, you can make this a lunch or dinner and gambling destination or just one or the other! The resort offers all the usual gambling choices: slots, poker, blackjack craps, roulette, etc as well as a number of dining choices including Guy Fieri's Mt. Pocono Kitchen.

If you have ever watched cooking or restaurant shows on TV, you have certainly heard the name Guy Fieri. Guy has traveled over 150,000 miles across America's back roads in **Diners, Drive-ins and Dives** in search of the best regional fare: Guy knows American food to the core. The menu at Guy Fieri's Mt. Pocono Kitchen reflects his signature style of authentic and surprising flavors. The dishes are crafted with the heart and soul of hometown favorites and infused with Guy's big, daring flavors. You will find beloved comfort food with a spin only Guy could have envisioned. Hope you're hungry, because Guy's imagination knows no boundaries.
