

Porsche Parade Concours Judge

Inquiry Form

(Not applicable to prior Parade Concours Judges)

The Porsche Club of America prides itself in being a volunteer organization supported by its members. We believe in an inclusive environment that encourages mentorship and the sharing of knowledge. To that point, we encourage any member interested in volunteering to be a Concours Judge at the annual Porsche Parade to inquire. Given this is the premier event at Parade and the national PCA Concours event, prior judging experience is required to be considered. We would be happy to discuss your past experiences and assist in developing a path to achieve your goal. Please complete this form and submit to the Parade Concours Chief Judge at: mgrovecpa@comcast.net

Thank you for your inquiry.
